

# INTERNATIONAL ENGINEERING MATCHMAKING EVENT

**Park Inn Hotel, K. Donelaičio str. 27, Kaunas  
21 March, 2019**

Welcome to the international matchmaking event for companies of engineering sector, organized by Enterprise Lithuania and Engineering Industries Association of Lithuania LINPRA.

If you are looking for new suppliers or want to get better understanding of the most active engineering companies in Lithuania, we are pleased to invite you to this international matchmaking event and introduce you the most potential suppliers you've been looking for in an effective and **cost-efficient way**.

The international matchmaking event will attract companies from the following sub-sectors:

- **Metal, plastics and rubber processing;**
- **Electrical and machinery equipment;**
- **Automatization, robotics and laser.**

Companies participating in the matchmaking event will be able to book a series of **30-minute** meetings with the companies of their interest in search for opportunities of mutually beneficial cooperation. The event enables a company to meet with up to **eight different companies** in just **one-day session** – which is an easy and cost-effective way to find potential suppliers in the Baltic States.
